Central Civil Registration System

The image displays a comprehensive screenshot of the KKTC Civil Registration System. The interface is divided into several functional areas:

- Top Left:** A navigation menu with categories such as Admin, Adres, Adres Beyan, Bopasma, Belge, Evlat Edime, Dogum, Oluim, Evlilik, İşlemlerim, İşlem Onay, Kişi Arama, Kişi Hareketleri, Kusur Düzeltme, Parametreler, Raporlar, Soyadı Varakası, Vatandaşlık İşlemleri, Yabancı Kişi Kaydı, Kullananlar Tercihleri, and Kimlik Kartı.
- Top Center:** Two monitoring dashboards. The left one is titled "İşlem başarı monitorü" (Operation Success Monitor) and the right one is "İşlem hata monitorü" (Operation Error Monitor). Both show data for the period from Sunday, 01 Kasım 2015, 00:00:00 to Saturday, 06 Kasım 2015, 10:18:33. They include zoom controls (1g, 3g, 1h, 2h, 4h, Tümü) and a line graph showing cumulative operations over time.
- Top Right:** A "Doğum Kaydı Ekleme" (Add Birth Record) form with fields for Ad, Soyad, Cinsiyet, Kan Grubu, Doğum Yarıllığı, Eğitim Durumu, Uyruk, Halklık, Vat. Durumu, and Dia.
- Center:** A large, semi-transparent login window titled "Lütfen giriş yapınız" (Please log in). It features a "Kullanıcı" (Username) field with the value "4300", a "Şifre" (Password) field, and a "Giriş" (Login) button. The background of this window is the national emblem of the Republic of Northern Cyprus, featuring a white dove on a yellow shield, surrounded by a green laurel wreath. The text "KKTC İÇİŞLERİ BAKANLIĞI" (Ministry of Internal Affairs of the Republic of Northern Cyprus) is displayed in gold at the top and bottom of the emblem.
- Bottom Left:** A "Doğum Kaydı Ekleme" form with a "Çocuk Kişi Bilgileri" (Child Information) section, including fields for "Kısmik no" (Partial ID number) and "Doğum Yarıllığı" (Age).
- Bottom Right:** A "Doğum Kaydı Ekleme" form with a "Baba Bilgileri" (Father Information) section, including fields for "Kısmik no", "Baba kısmik tipi", "Kısmik no", "Doğum Yarıllığı", "Uyruk", "Halklık", "Vat. Durumu", "Dia", "Evlilik", "Evlilik Belge No", "Evlilik Yarıllığı", "Evlime Yarıllığı", "Evlime Yarıllığı", "Doğum Kaydı Bilgileri", "Çocuk Sıra No", "Mükerrer Doğum Yarıllığı", "Mükerrer Adres", "Evlilik/Birlik", "Halklık/Kayı", "Diyarlık", and "200 karakter sınırlı".

Electronic Document Management System

Elektronik belge yönetim sistemi, Türksat A.Ş. nin oluşturduğu her türlü dokümantasyonun içerik, format ve ilişkisel özelliklerini korumak ve bu dokümanları üretimden nihai tasfiyeye kadar olan süreç içerisinde yönetmeyi amaçlayan elektronik sistemdir
